Dorothy C. Goodwin Elementary School Reminder

There are many events and activities that happen during the school day: Town Meetings, field trips, classroom activities, etc.

As a reminder, if you are attending an event and are planning to take your child home directly after the event,

Please email the office at gnoffice@mansfieldct.org before 1:00

The school office will notify the student's teacher and inform them of the change in dismissal.

Informing the office before 1:00 will help reduce the confusion between students and teachers during last minute parent pick up requests.

****If a student is dismissed before 3:30 it is considered an early dismissal.***

Dear Parents,

In keeping with Goodwin policies we are reinforcing the ban on any type of trading cards allowed in the school. We find they cause a disruption in learning and relationship issues. The children were informed of this policy this morning.

Thank you for your attention to this matter.

Sincerely,
Susan
